1. PARD/PDP: This development is within the boundaries of Park Planning District 4; the Neighborhood & Community Park Dedication Policy applies. There is a required \$1,393.58 due for each single-family residential unit or duplex on an undeveloped lot. On a lot with a teardown, there is a required \$1,393.58 due for each additional residential unit (duplex). Please upload the demolition/razing permit. Tear down and replace in-kind, no PARD-PDP fee is due. Call Development Services @ 817-392-2222, if you need assistance on making a payment. Call Lori Gordon @ 817-392-5743 for information regarding the fee and to what it is applied. All fees must be paid in full for single family residential or duplex, at or before building permit issue. No city permits will be issued until the PDP fees have been paid.

HOLD NOTES: All items labeled "HOLD" must be addressed

SUMMARY: Permit meets minimum standards Y
Holds: ____

Zoning district: "A-5" Type of layout: Single Family Residence

Official Plat: Attached to plans lot/block number verified Y (Fostepco Heights Addition-
Blk 92 Lt 5)
Volume 204-A Page 127 | approved/filed 07/05/1907

Building Square footage: R-3: 1808 U: 640
Slab: 2448
Lot Area: 6250

Lot coverage: 50% maximum, including all structures (Provided 39.17%)

Height: 35' maximum (Provided: 26.75')

Lot Width: 50' minimum at building line (Provided 50.00')

Front yard driveway coverage: 50% maximum (Provided 36%)

Setback restrictions: (The front yard setback in residential districts shall be the greatest of:
The platted building line; The setback for the applicable zoning district; or the setback of
the nearest building on either side that is the closest to the street, up to a maximum
setback of 50 feet, provided that said setback is not the result of a variance granted by the
Board of Adjustment)

Front: 20' minimum (provided 35')
Houses on either side: L - 35.00' & R - 35.00' per 3rd party site plan (verify on
aerial photo)

Sides: 5' minimum (Provided L - 5.08' & R - 5.08')

Rear: 5' minimum (Provided 31.75')

Note: As applicable, any fence located within an easement will require permission of the
easement holder(s) to encroach.

Parking spaces:
Ord. 21528 Single Family Home: Two spaces located behind the front building wall for
dwelling units with three or fewer bedrooms, plus one space located behind the front
building wall or in the driveway for each bedroom above three.
Bedrooms: 4 Parking spaces required 3 provided 4.

Required parking spaces must be hard surface and dust free (asphalt or concrete). All

maneuvering space must be located off of the public right of way.

Urban Forestry: property is vested, infill, or has approved UFC permit: (letter or UFC # provided Y – INFILL

An infill house shall be required to have a minimum 3" caliper front yard tree of choice, and one minimum 3" caliper street parkway tree as approved by the City Forester.

Single Family Design Standards:

The same elevation shall not be permitted within an eight-lot pattern, on an adjacent lot or on a lot directly across the street.

No attached garage facing a public or private street may project greater than eight (8) feet in front of the front wall of the house in all Single-Family Districts.

Additional Comments:

Sec. 22-176. Curb cuts and laid-down curb permit procedures.

The location of ingress and egress driveways shall be subject to approval of the city traffic engineer under curb cut or laid-down curb permit procedures. Driveways shall not exceed sixty-five (65) per cent of the property frontage. There shall be a minimum of twenty (20) feet of curb along the street between driveways where there is more than one driveway on property under unified ownership or control and used as one premise. The decision of the city traffic engineer may be appealed to the city council. (Code 1964, § 26-102.3; Ord. No. 8288, § 1, 3-10-81)

SINGLE FAMILY HOME: DWELLING UNIT: A building, or any portion thereof, containing a complete set of independent living facilities for occupancy and use by one family, including permanent provisions for living, sleeping, eating, sanitation, and cooking within a kitchen for the exclusive use of the occupants whose intent is to inhabit the dwelling unit.

COOKING EQUIPMENT: A stove, range or other such appliances, which requires a 220V or gas connection that is used, designed, or intended to be used for the cook and preparing of food.

A sidewalk is required for all frontages facing a street

1 WATER APPLICATIONS

*** IMPORTANT*** PLEASE READ WATER AND SEWER SERVICE LOCATION REQUIREMENTS ***

Sec 5.18.2.1 Meter boxes can only be installed in non-paved areas. Water service and meter box must be installed 1-foot offset from the property line in the parkway and have a 9-foot horizontal separation from the sewer service. The normal location for meter boxes is 2.5 feet behind the back of curb.

In no case shall the water meter box (and meter) be outside of the public right-of-way or water easement.

Sec 6.4.1.3 Wastewater service should avoid placement in driveways and have a 9-foot horizontal separation from the water service.

Service should be installed South or West of the proposed driveway location.

To avoid delays and additional meter installation fees, please ensure the following requirements are met:

- Address must be clearly posted
- No debris or material over the meter box
- Meter box must be in the ground to grade per city specification

EXISTING SERVICE LOCATIONS

Water Tap – 15 feet North of South property line – See water service requirements listed above

Sewer tap – center lot in alley – See wastewater service requirements listed above
