1. PARD/PDP: This development is within the boundaries of Park Planning District 4; the Neighborhood & Community Park Dedication Policy applies. There is a required \$1,393.58 due for each single-family residential unit or duplex on an undeveloped lot. On a lot with a teardown, there is a required \$1,393.58 due for each additional residential unit (duplex). Please upload the demolition/razing permit. Tear down and replace in-kind, no PARD-PDP fee is due. Call Development Services @ 817-392-2222, if you need assistance on making a payment. Call Lori Gordon @ 817-392-5743 for information regarding the fee and to what it is applied. All fees must be paid in full for single family residential or duplex, at or before building permit issue. No city permits will be issued until the PDP fees have been paid.

## Residential New Building Permit Plan Review Comments

Legal address: RYAN SOUTHEAST ADDITION Block 56 Lot 14

Scope of project: New Single Family Home

HOLD NOTES: All items labeled "HOLD" must be addressed

SUMMARY: Permit meets minimum standards Y

Zoning district: Morningside Neighborhood (HC) Type of layout: Single-Family Detached Residence

Official Plat: Ryan's Southeast Addition

Building Square footage: R-3: 1698 U: 164 Total= 1862 sq. ft.

Lot coverage: 50% maximum, including all structures (Provided 31%)

Height: 35' maximum (Provided '-11")

Lot Width: 50' minimum at building line (Provided 50')

Front yard driveway coverage: 50% maximum (Provided less than max)

Setback restrictions: (The front yard setback in residential districts shall be the greatest of: The platted building line; The setback for the applicable zoning district; or the setback of the nearest building on either side that is the closest to the street, up to a maximum setback of 50 feet, provided that said setback is not the result of a variance granted by the Board of Adjustment)

Front: 20' minimum (Provided 25')

Sides: 5' minimum (Provided 5'-left and 13'-right)

Rear: 5' minimum (Provided 35'2")

Note: As applicable, any fence located within an easement will require permission of the easement holder(s) to encroach.

Parking spaces:

Ord. 21528 Single Family Home: Two spaces located behind the front building wall for dwelling units with three or fewer bedrooms, plus one space located behind the front building wall or in the driveway for each bedroom above three.

# Bedrooms: 4 Parking spaces required 3 provided 4

Required parking spaces must be hard surface and dust free (asphalt or concrete). All maneuvering space must be located off of the public right of way.

Urban Forestry: property is vested, infill, or has approved UFC permit: (letter or UFC # provided Y/LETTER)

An infill house shall be required to have a minimum 3" caliper front yard tree of choice, and one minimum 3" caliper street parkway tree as approved by the City Forester.

Single Family Design Standards:

The same elevation shall not be permitted within a six lot pattern, on an adjacent lot or on a lot directly across the street.

Exterior walls shall consist of a minimum of 50% masonry. Exposures to a minor arterial or wider street shall require 100% masonry construction except where such building face is obscured by a minimum six (6) foot masonry wall. "Masonry" shall include brick, stone, cementitious fiber concrete products of stucco. Similar products made from such materials and/or durable recycled material shall be allowed as approved by the Building Official.

No attached garage facing a public or private street may project greater than eight (8) feet in front of the front wall of the house in all Single-Family Districts.

## Residential New Building Permit Plan Review Comments

Glen Garden Drive On August 11, 2025, the Historic & Cultural Landmarks Commission (HCLC) APPROVED a request for a Certificate of Appropriateness to construct a single-story residence (1,862 sqft) at the above-referred address within the Morningside Historic District. All in accordance with the plans (HCLC-25-135) stamped 'APPROVED' on September 16, 2025, that addressed the conditions outlined by the HCLC at its August 11, 2025, meeting. FINDINGS IN ACCORDANCE WITH STANDARDS Historic Morningside District Guidelines: New Construction The proposed structure reflects the contributing elements and patterns found within the neighborhood, the streetscape, and the block where it will be located. Secretary of the Interior's Standards for the Treatment of Historic Properties: Standards 9 and 10 The proposed project is consistent with the Secretary of the Interior's Standards for new construction and will be compatible with its neighborhood.

APPROVALS AND PERMITS The Historic and Cultural Landmarks Commission or Historic Preservation Officer must approve work not included in this Certificate of Appropriateness prior to the issuance of a building permit. Approval of your case does not negate you from any other applicable requirements needed to obtain required permits. If necessary, you must obtain all required variances before a building permit will be issued.

APPEALS AND CERTIFICATE OF APPROPRIATENESS VALIDITY An appeal to this decision may be submitted by written request to the City Secretary and the Historic Preservation Officer within 15 days of the date of this decision. Certificates of Appropriateness are valid for two years from the date of issuance. FURTHER INFORMATION Questions regarding this case may be forwarded to the Development Services Department at (817) 392-8000

Sec. 22-176. Curb cuts and laid-down curb permit procedures.

The location of ingress and egress driveways shall be subject to approval of the city traffic engineer under curb cut or laid-down curb permit procedures. Driveways shall not exceed sixty-five (65) per cent of the property frontage. There shall be a minimum of twenty (20) feet of curb along the street between driveways where there is more than one driveway on property under unified ownership or control and used as one premise. The decision of the city traffic engineer may be appealed to the city council. (Code 1964, § 26-102.3; Ord. No. 8288, § 1, 3-10-81)

**SINGLE FAMILY HOME: DWELLING UNIT:** A building, or any portion thereof, containing a complete set of independent living facilities for occupancy and use by one family, including permanent provisions for living, sleeping, eating, sanitation, and cooking within a kitchen for the exclusive use of the occupants whose intent is to habitat the dwelling unit.

**COOKING EQUIPMENT:** A stove, range or other such appliances, which requires a 220V or gas connection that is used, designed, or intended to be used for the cook and preparing of food.
